## PESTICIDE EDUCATION & NOTIFICATION GUIDE

Service Date: Monday Tuesday Wednesday Thursday Friday Saturday \_\_\_\_\_ between \_\_\_\_\_

Your residence was/will be treated with **MAXFORCE FC MAGNUM** gel bait. Maxforce FC Magnum is Child and Pet resistant. It is not necessary for any preparation or vacating your residence, it does not have an offensive odor.

Working together will maximize the effectiveness of this pest control program.

**This is strictly for Roaches Only!!!**

**Please follow these simple directions**

### **PLEASE DO:**

- Be patient. Maxforce FC Magnum Bait will take effect immediately but still give it 14-21 days for maximum results.
- Reduce clutter. Don't give roaches a place to hide. Pick up food when your pet is done eating. Clean up spills. By removing alternative food sources, there will be no food competition so roaches are more likely to feed exclusively on Maxforce FC Magnum. A crumb is a feast to roaches.
- Empty trash containers frequently. Store recyclable cans and bottles in bug proof containers. Vacuum thoroughly. Keep the dishwasher closed or empty.
- Correct any water leaks and conditions favorable for roach infestations. Roaches are attracted to damp areas.

### **PLEASE DON'T:**

- Don't spray or use any insecticides strong cleaners on or near the Maxforce FC Magnum Bait placements. It will prevent roaches from eating the bait and taking it back to the nest for a domino effect kill.
- Don't remove or disturb the bait placements.
- Don't store paper bags between the refrigerator and cabinets. Roaches harbor there.

.....  
\* I have authorize ASAP Inc. and ASAP, Inc technician to enter my property for the purpose of pest control treatment I have received and reviewed the Bait Notification Sheet. I understand that I am responsible to uphold the conditions as outlined above for the pest problem I have listed. If conditions are not controlled I understand I will not get maximum results needed to get rid of my pest problem.

Signature: \_\_\_\_\_ Title: \_\_\_\_\_ Date \_\_\_\_\_

**NOTE:** Inform A Step Above Pest Control, Inc of any other pest problem in your resident

**THANK YOU FOR YOUR COOPERATION!**
